

APPLICATION #AGRI-HACKATHON

All applicants must submit the following application that will be used to select the candidate teams for the Agri-Hackathon.

The application must include the following documents:

1. A presentation document for your proposal including the following points:
 - a. Analysis of existing solutions and/or elements of solutions – taking into consideration all stages of development,
 - b. Description of the technical/scientific problems to be overcome in order to respond to the challenge brief,
 - c. Description of the workplan that the team plans to implement to fulfill the brief,
 - d. Description of the skill areas to be mobilized to respond to the brief,
2. Resumes of team members assessing their skills and experience to implement such a solution,
3. Copy of valid government ID for each team member,
4. Hacker Declaration signed by all members of the team

Submit your application via online form at the following link:
